

Maths for Year 2. Week Beginning 20.4.20

For Maths sessions, please go to www.whiterose.co.uk.

1: Click on the Home Learning tab and the screen should look like this:

2: Then click on 'Home Learning Year 2' (see arrow)

3: Then click on Week 1: (Note that we are starting on Week 1 and not Summer Term Week 1. This is because I want Y2 to begin Fractions and this unit begins on Week 1.)

Week 1	+
Week 2	+
Summer Term - Week 1	-

You will see that under this are 5 days of lessons.

Home Learning - Year 2 Home / Home Learning / Home Learning - Year 2

Week 1

Lesson 1 - Make equal parts

Make equal parts

The dog is the whole.
Which of these images is a part?

04:05

- Summer Term
- Easter Fun
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2**
- Home Learning - Year 3
- Home Learning - Year 4
- Home Learning - Year 5
- Home Learning - Year 6
- Home Learning - Year 7
- Home Learning - Year 8

For each day this week, select the day, listen to the teaching recording and video with

your child. Click on the activities and have a go. Maths is everywhere and it's meant to be fun. YES, FUN!! I hope you like these sessions.

In the table below, I have any extra notes for the session.
Please do let me know how you get on. Why not add some of what you do to our Facebook page or email some photos?

At the bottom of each session I will add any extra activities that can be done on the Power Maths Books the children have.

Day 1	Day 2	Day 3	Day 4	Day 5
Listen to and watch the clip. Follow the instructions. If it says to pause, listen to what it needs you to do and pause. The answers are said quite quickly. It would be a shame to miss out on having a go.	Listen to and watch the clip. Don't cheat! When it says to explain, have a go at using a sentence that makes sense. Complete the activities.	Listen to and watch the clip. Complete the activities.	Listen to and watch the clip. Complete the activities.	Listen to and watch the clip. Complete the activities.

Power Maths Page: Book B. Unit 10 Fractions. Page 113 and 116 (Introducing whole and parts/Making equal parts.)	Power Maths Page: Book B. Unit 10 Fractions. Page 119 (Recognising a half)	Power Maths Page: Book B. Unit 10 Fractions. Page 122 (Finding a half)	Power Maths Page: Book B. Unit 10 Fractions. Page 125 (Recognising a quarter)	Power Maths Page: Book B. Unit 10 Fractions. Page 128 (Finding a quarter)
---	---	---	---	--

**NB Do not go on to the next section in your book until you have had the next day's teaching!
(You know who you are!!)**

You will notice that I haven't put up resources for the learning this week. All of the resource sheets you need are on the website. Take a look below to see where they are:

Week 1

Lesson 1 - Make equal parts

Make equal parts

The dog is the whole.
Which of these images is a part?
