

Words ending in *e* are a bit more tricky !

late + er

late

er

fine + er

fine

er

Can you see what is happening ?

If a word ends in an *e* you must drop the *e* before adding 'er'.

Use the rule above to add 'er' to these words.

cute

large

nice

It is just as easy to add 'est' to these words.

cute

cuter

large

larger

nice

nicer

Write a sentence for each word to show you understand how to use er and est.
