

Maths for EYFS.
Week Beginning 27.4.20

Below is a short planner showing you what each session is about this week. If you enjoyed using the White Rose Website last week, please do continue to use it. The planner below and activities that go along side it also works on essential skills EYFS children need.

For White Rose Maths Sessions that carry on from last week, please go to www.whiterose.co.uk.

- 1: Click on the Home Learning tab.
- 2: Then click on 'Home Learning Early Years'.
- 3: Then click on Summer Term - Week 1

Day 1	Day 2	Day 3	Day 4	Day 5
<p><u>Adding numbers up to 20 in different ways.</u></p> <p>Take a look at page 1 and 2 of the resources. The coloured table gives you some ideas for the sorts of questions you could ask as you try the learning activities.</p>	<p><u>Adding using Numicon pieces.</u></p> <p>See Session 2 in the resources. Pages 3 and 4.</p>	<p><u>Let's play an adding game!</u></p> <p>See pages 5, 6 and 7 in the resources.</p>	<p><u>More and Less.</u></p> <p>Let's start by counting to 20 out loud. Can you say it in a loud voice? Can you say it in a teeny tiny mouse voice? How else can you count to 20?</p> <p>Activity 1: Session 4 Page 8 in the resources.</p> <p>Now let's think about 1 more and 1 less</p>	<p><u>Adding More Monster Activity.</u></p> <p>See Session 5 on page 10 of the resources. Today, we will begin by counting in 2s. The children have joined in counting in 2s in school and can do some for themselves. Practice doing this together. Why don't you get some socks</p>

			<p>together. See Session 4 page 9 in the resources.</p>	<p>to help - just like on the sheet. The children can try and write down the numbers using the number line they made yesterday. Finally, go to page 10 and try the Monster Adding activity.</p>
